

## Hand Cleaner AB

### HAND CLEANER AB

A highly effective hand cleaner with an abrasive (fine grit) in that removes grease, ink, paint, tar, fibreglass and ingrained dirt, fast and safely.

### HAND CLEANER AB

Contains emollients and skin conditioners as well as a germicide. **AB** hand cleaner is not detrimental to cuts or scratches and contains lanolin to prevent drying of the skin.

### APPLICATION

Apply approximately one teaspoon of **AB** to hands and rub in well.

Remove by wiping with a clean cloth or rinsing with water.

### HAND CLEANER AB

is available as a paste.
